Artists Books and Africa - Smithsonian Libraries

Buy The Century of Artists Books Book Online at Low Prices in India. A Century of Artists Books is published to accompany an exhibition at The Museum of Modern Art, New York, that constitutes the most extensive and wide-ranging survey of artists’ books in the history of the museum. The book contains essays by leading scholars, curators, and artists, as well as a comprehensive catalogue of the exhibition, with full-color reproductions of works from the twentieth century and beyond.

The Century of Artists Books is the seminal full-length study of the development of artists books as a twentieth-century art form. Johanna Drucker is the seminal full-length study of the development of artists books as a twentieth-century art form. The book covers the history of artists books from the 1960s to the present, examining the works of influential artists and publishers, and includes essays on the role of artists books in contemporary art and culture.

Johanna Drucker is a scholar and artist who has written extensively about the history and theory of artists books. She is the author of The Artists Book, As Idea and Form, a seminal work on the subject.

The book is published by The Museum of Modern Art, New York, and is available in both print and electronic formats. It is a must-read for anyone interested in the history of artists books, contemporary art, and the intersection of the two.
